

2018 PGA Junior Golf League @ Culbertson Hills

Culbertson Hills is excited to announce the 2018 PGA Junior Golf League for kids ages 7-13. This program is for kids of all skill levels and is designed as an instructional golf program beginning in late May and continuing every Sunday evening through July.

A typical Sunday evening will be comprised of instruction & PLAYING GOLF!. The PGA of America has invested a great deal of time developing a program designed to introduce golf to children. Our goal is to teach the **basic fundamentals and etiquette** of the game and to **HAVE FUN PLAYING GOLF!**

Teams will consist of 10 players competing as 5 two-person teams. We hope to have multiple teams and will have matches beginning in July and continuing through August. Cost is \$150 per child.

Each participant will receive a team jersey, a PGA JLG bag tag, and golf balls. Parents are encouraged to participate in the form of coaches, spotters, and other duties.

More information is available at www.pgajrleaguegolf.com. You can also register participants at this site. Email Bob Orr at bob@culbertsonhills.com for specific information. See you on the course!
